✓ 1. I informed Mr. Belen, of the staff of the House Committee on Post Office & Civil Service, that CIA preferred not to testify on H.R. 554 and 571 as our position had already been set forth in our letter to the Committee dated September 13, 1951 and would be reiterated in the testimony of the Chairman of the Civil Service Commission.

STATINTL 2. [] OPC, called to state that he had been informed
STATINTL by [] that Counsel for the Internal Security Subcommittee of
the Senate Judiciary Committee had called Mrs. H, the wife of [] STATINTL
STATINTL [] and requested H's address
STATINTL which she had furnished. Committee Counsel proposed to write H. a
STATINTL letter to see if he would confirm [] testimony before the sub-
STATINTL committee. H had been a co-signer of the original affidavit which he
STATINTL and [] had prepared regarding their conversations with John Davies.
STATINTL Mr. Houston called [] who saw nothing wrong in writing the
letter would check to see if it had been sent. It was pointed out to Mr.
Morris that the danger of its interception through censorship would blow
H's cover.
